Conditions of Sale

RECEIVING AND ACCEPTANCE:

All nursery stock is shipped at Buyer's risk and expense F.O.B. McMinnville, TN. We charge for packing materials at our cost. Unless given specific instructions, we will ship by the method we think is best. Nursery stock is perishable. All shipments should be immediately and carefully unpacked and inspected on arrival and then placed in proper storage. Any problems with the condition or quality or quantity of goods received should be brought to our attention immediately.

We are very careful to label varieties true to name and will replace, upon proper proof, any that may prove otherwise or refund original purchase price. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock. Any dispute arising out of the sale of these goods shall be arbitrated exclusively in the Chancery Court for Warren County, Tennessee, and the State of Tennessee shall be the forum for any and all litigation that may arise from any sale of goods by the seller. Either party not prevailing in such action shall be liable to the prevailing party for responsible attorney fees.

CLAIMS:

Claims of any nature must be made promptly upon receipt of stock. **We will not honor claims made after 10 days from receipt of stock because we cannot control the care of plants after you receive them. We do not assume responsibility for stock damaged or lost after acceptance by or in transit by common carrier. When damage is apparent, make a claim to your delivering carrier. Please check shipments for damage before signing for receipt.**

SHIPPING:

We ship by Parcel Post, United States Parcel Service, motor freight or truck. All delivery charges, truck load or combination load, are C.O.D. and must be paid when order is delivered. For all other types of shipping, please add approximately 30% packing and shipping deposit. Overpayment will be refunded, underpayment will be invoiced, charged to your credit card, or sent C.O.D. Packing and shipping/freight costs vary with plant size. We cannot guarantee a specific shipping or freight cost.

For all plants that are too large for our shipping boxes we will try to arrange a combination load on a tractor trailer reefer. Most of the time this is less costly and better on the plants.

If there is not enough room for all of your plants when we load your truck, you cannot cancel the balance of your order because we have dug the order special for you.

TO THE TRADE:

Prices are based on present market conditions and are subject to change without notice. Prices are in U.S. Funds. All quotations are subject to previous sale and all prices are made for the use of established nurserymen only. This list cancels all previous quotations.

ALL PRICES F.O.B. McMINNVILLE, TN.

TERMS:

A twenty-percent non-refundable, deposit is required on all orders with no established credit. Terms are net 30 days from date of invoice, for accounts which have been approved for credit. Interest charged at 1.5% per month (18% per annum) on delinquent accounts.

WE ARE CLOSED ON SUNDAYS.

ORDERS:

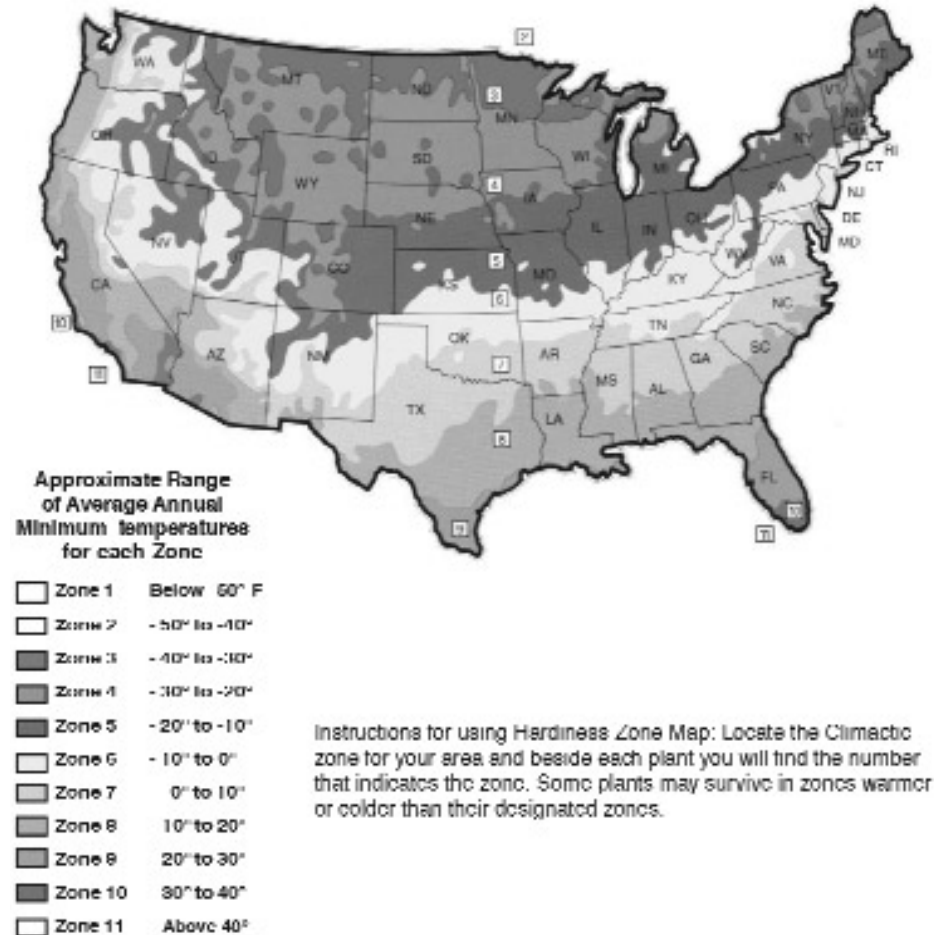

Orders are booked subject to crop conditions with the understanding that the orders shall be void should injury befall stock because of hail, fire, frost, or other cause beyond our control. Please let us know when you place your order if the plants are to go into the field or if they will be potted. As some plants do not do well in containers, we will not be responsible for plants after 10 days from receipt of stock.

CANCELLATIONS:

All orders are dug special for you, therefore, all cancellations must be submitted in writing before December 1st or 90 days before ship date.

MINIMUM ORDER:

Minimum order for nursery stock is \$500.00. Nursery stock must be ordered in multiples of full bundle counts.

How Plant Bundles Work

Plants are sold in bundles with the smallest bundle being 5 and the largest 50. **ALL PRICES SHOWN ARE PER PLANT, NOT PER BUNDLE.** To find the cost of a bundle you must multiply the price shown for the plant times the number of plants that you want to purchase to determine your total price. Price breaks occur at the 50+, 100+, 500+, and 2500+ ranges meaning that you, the customer, receive a discount for each of these price breaks.

Example of a bundle of 10:

Bundle+:	2' Br. Red Althea at \$7.00 each=	\$70.00
50+:	2' Red Althea at \$3.50 each =	\$175.00
500+:	2' Red Althea at \$3.25 each =	\$1625.00
2500+:	2' Red Althea at \$3.00 each =	\$7500.00

Dear Friend,

I've been in the Nursery business for a long time and as I grow trees and shrubs I am frequently reminded of the first garden: The Garden of Eden.

It was here God placed His newly created man and woman. It was here that all was perfect and it was here, He placed Adam and Eve to keep it.

It was here Satan made his first appearance. It was here sin came into being and it was here that mankind fell. Surely it must have been a terrible day when Adam and Eve could no longer walk in perfection before God.

Also, it was here that God began His plan of redemption. It was here in the garden that God called out to them...they didn't come to him, He came to them. It was here God provided a covering for their sin. After rejecting theirs, He Himself provided a covering for them. It seems to me the meaning is clear: *Only that which He supplies is acceptable to cover sin!*

If you are still trying to "work out your salvation," or if you are still trying to "cover your sin," remember nothing is acceptable, except that which God provides.

This is why He gave us Jesus. Jesus is God's provision for sins. "And He is the propitiation for our sins, and not for ours only, but also for the sins of the whole world." 1 John 2:2

If you've never been saved, why not do like I did, why not come to Jesus and ask Him to save you? He said He would and He does not lie. "For whosoever shall call upon the name of the Lord shall be saved." Rom. 10:13

Thanks for taking time to read this.
